

Promotion Policy

Purpose

The purpose of this policy is to establish a fair, transparent, and merit-based promotion process at Feku Tech Solutions Pvt. Ltd. Promotions recognize employees who consistently demonstrate exceptional performance, professional growth, leadership potential, and meaningful contributions to organizational success.

Eligibility Criteria

Employees may be considered for promotion if they meet the following requirements:

- * Minimum 12 months in their current role.
- * Consistent performance rating of ****"Meets Expectations" (3)**** or higher during the most recent review cycle.
- * Demonstrated growth in technical, functional, or leadership competencies.
- * Successful completion of assigned projects and responsibilities.
- * Positive professional conduct and adherence to company policies.

Promotion eligibility does not guarantee promotion.

Promotion Review Cycle

Annual Promotion Cycle

Promotions are reviewed once per year as part of the annual performance review process.

Activity	Timeline
-----	-----
Performance Reviews	January - February
Promotion Assessments	February
Leadership Approval	March
Promotion Announcements	April

Exceptional Promotions

In exceptional cases, off-cycle promotions may be approved for employees who demonstrate outstanding contributions, critical business impact, or exceptional leadership capabilities.

Evaluation Criteria

Promotion decisions are based on the following factors:

Performance

- * Achievement of goals and objectives
- * Quality and consistency of work
- * Project delivery and execution
- * Business impact

Technical Competence

- * Job-specific expertise
- * Problem-solving abilities
- * Innovation and continuous improvement
- * Adoption of new technologies and practices

Leadership and Collaboration

- * Teamwork and communication
- * Mentoring and knowledge sharing
- * Initiative and ownership
- * Stakeholder management

Learning and Development

- * Certifications and training completion
- * Continuous learning efforts
- * Professional skill development

Promotion Process

Step 1: Manager Recommendation

The reporting manager evaluates employee readiness and submits promotion recommendations.

Step 2: Department Review

Department heads review recommendations against organizational needs, role requirements, and available positions.

Step 3: HR Review

Human Resources verifies eligibility, performance records, and policy compliance.

Step 4: Leadership Approval

Final promotion decisions require approval from senior leadership.

Step 5: Communication

Approved promotions are formally communicated to employees and reflected in HR

records.
